

## KEY MINISTRY HIGHLIGHTS

### Sandra Returns to Uganda

In July, Sandra returned to Uganda with a mission team from her church. This was the first time she has been back in the country that captured her heart in a number of years. The ladies team taught 8 different Conferences on 2 Islands and 6 villages around Jinja and Pallisa. Most of the churches had been planted by men who attended Uganda Baptist Seminary. The people on the islands do not have running water or electricity, and most never leave their home on Lake Victoria for their entire lives. This was a unique opportunity for believers to be encouraged and the lost to hear the Gospel.

### Teaching at Conferences

During these conferences, part of the team taught the pastors, while Sandra and other women leaders taught ladies from Titus Chapter 2. The lesson addressed how to live out being a godly woman under God's grace, and producing good works through the grace of God.

Everyone who attended the conference received the book of Titus in the Ugandan language. They had multiple translators and multiple languages teaching to a variety of people groups. These books will likely be the only bibles they will ever receive.

### Visiting the Women's Prison

During the trip, the team visited the Ugandan prison in Jinja. Sandra previously led a weekly bible study in the women's prison, so it was good to find that the prison was still open to people coming in to teach the gospel. Praise God for that opportunity. Please pray that the Lord continues to keep that door open for future ministry.

## The Legacy of Teaching

The team visited Uganda Baptist Seminary and ministered to the students at Chapel. Sandra visited many past students that Karl taught. These students are now pastors and leaders in their communities. This is why JKD Evangelism partners with UBS.

In the photo above, we see Robert, Moses & Agustav who were in the original group taught by Karl. These men are now leaders at the seminary. Moses and Agustav were the first group of students from UBS to be able to graduate from Southeastern Theological Seminary in the US and become certified to teach at Uganda Baptist Seminary. Their funding was provided by donors to JKD Evangelism. It is a blessing to see that the seeds that were planted by you have continued to produce much fruit through the years

This legacy of training and teaching people allows us to see these students take on leadership roles to disciple others, furthering and expanding the work of God as the Word instructs in II Timothy 2:2.

Thank you for your continued support and prayers.

## Family Update

This August, Kyle and Wendy said goodbye to a group of graduating seniors that they have been leading in small group for seven years. The class (shown above) have grown into impressive young men and women of God, and they're excited to see where they end up next. Kyle and Wendy have now gone back down to lead the sixth grade class, which includes their youngest son, Emerson.

This fall, Kyle, Wendy, and the kids will continue with homeschooling and attending the co-op where Kyle teaches and Wendy serves on the board of directors.

## A Note from John Karl

*John 14:12-13 Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. 13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.*

The call from God for all of us to Go is NOW!  
The time for "greater" is NOW!  
The time for loosing captives is NOW!  
The time for healing broken hearts is NOW!  
The time for delivering the oppressed is NOW!

Today is the day of salvation for Uganda if we will go or send those that can go.

**Thank you for your support, and for keeping the main thing the main thing.**
